## **BUDGET PREPARATION FORM**

Pray for God's leadership as your group dreams and plans for 2018. Define the work your committee/ministry will contribute to the church mission statement. Then develop strategies that enable your committee/ministry to join the Church of Christ at Bouldercrest in **addressing** needs and objectives that help us fulfill our mission.

Together, we want to ask God to reveal His will and show us what He desires for us to do.

### **Vision Statement:**

Please follow these steps:

- I. What is the purpose of your committee/ministry in light of the church's mission?
  
- II. With your purpose in mind, what are the objectives your group will attempt this year?
  
- III. What action plans will help you with your objectives?
  
- IV. Budget Request (By Action Plan)

**DEADLINE FOR THE RETURN OF BUDGET REQUESTS: Sunday, August 27, 2017.**
